How Jobs in Pods Excels:

Employer Branding

Marketing hard-to-fill positions

Connecting with Tech Savvy
Passive Candidates

Leveraging **Social Networks**

Cross-promotion, using multiple high traffic platforms

A very long tail!

2013 Rates:

- ★ Individual jobcasts cost \$379 per episode. Includes script development, recording, production, editing, placement on JobsinPods.com, iTunes, podcast aggregation sites, and social media promotion through Facebook, LinkedIn and Twitter.

Jobcast are easily scheduled, are recorded using a **land line telephone**, or **Skype**. We have a **professional studio** with **broadcast quality** recording equipment. Once an interview is recorded, it's edited using ProTools, and sent to our clients for **approval** before it is published. As with any advertising or marketing program, **frequency** and repetition count. This is a GLOBAL platform: We've done podcast interviews with clients located in China, Brazil, Russia, Sweden, Hungary, UK, Germany, and other countries.

➔ Additional Services to **Enhance** Your Jobcast!

- ★ **Audio Transcription:** \$26.00 per show. Your transcript is **embedded** in the mp3 audio file. Meaning great **SEO**. You will get a Word .doc of the transcript. This content can be very useful, especially if you maintain a blog. And, we use **real people**, not software for our transcripts - much more accurate. Translation service (Mandarin, Japanese, Spanish, Russian, etc.) is also available.
- ★ **YouTube Production:** \$250.00 per show. You're can use the <embed tag> on **YouTube** to add the video to your website, career portal, or Facebook fan page.
- ★ We will send you an **mp4** file with your video. You're free to use and distribute the video wherever and whenever you like! Custom video formats are available. Please enquire.
